INVITED TALKS & PRESENTATIONS

Maramag, G. (2022, October). KU Psychology Department Annual Conference. Chosen as 2022 undergraduate representative to speak on current department psychological research. Kutztown University of Pennsylvania, Kutztown, PA.

RESEARCH EXPERIENCE

June 2022 –
Present

Volunteer Research Assistant
Health Risk Behavior Lab
Lehigh University, Bethlehem, PA

Project Description: Exploring parents' perspectives on alcohol harm-reduction communication in a quasi-qualitative study

- Conduct thematic analysis of 662 mothers' responses to open-ended online survey questions describing harm-reduction advice and alcohol-related protective behavioral strategies

Project Description: Effectiveness of normative feedback on alcohol-related attitudes in young adults

- Drafted the IRB proposal and designed a Qualtrics survey for a pilot study in a health psychology behavioral experiment testing the impact of group norms on college student drinking

Project Description: First-generation college students' experiences with feelings of on-campus belonging in a photovoice study

- Assisted in thematic analysis and organization of photographs captured by over 50 first-generation students representing their sense (or lack) of belonging to evoke positive changes on-campus

Faculty Advisor: Lucy E. Napper, PhD

May 2022 –
Dec 2022

Research Assistant
Psychology of Eating and Consumer Health (PEACH) Lab
University of Pennsylvania, Philadelphia, PA

Project Description: Impact of warning labels on sugar-sweetened beverages in an online store

- Recruited and communicated with over 150 caregivers of young children in the Greater Philadelphia and South Jersey area in an online 4-week experiment
- Collected and entered confidential participant data into a database (REDCap)

- Collaborated with an interdisciplinary team of scholars in a hybrid-remote setting

Faculty Advisor: Christina A. Roberto, PhD

Mar 2022 –
Present

Volunteer Research Assistant

Gender, Race, Inclusion and Trauma (GRIT) Lab
Lehigh University, Bethlehem, PA

Project Description: Evaluating the effectiveness of a parent workshop in equipping caregivers with trauma-informed practices to prevent intergenerational transmission of trauma

- Conduct weekly fidelity assessments of a 7-session community training program designed to enhance parent knowledge about trauma, restorative practices, emotional intelligence, and equity
- Assist facilitators and parents as they confront difficult experiences related to trauma and adversity
- Evaluate the program's effectiveness with pretest/posttest assessments and observational data

Project Description: Stakeholders' perspectives on the impact and effectiveness of a school resource officers program

- Transcribed focus group interviews of high school students and reported emerging themes regarding perceptions of school safety and school resource officers
- Collected and analyzed demographic survey data using statistical software (SPSS)

Faculty Advisor: Christopher T. H. Liang, PhD

COMMUNITY SERVICE

May 2017 –
Present

Volunteer, Fundraiser

Congregation Keneseth Israel
Allentown, PA

- Design T-shirts, awards, and marketing materials and perform race-day duties for the Harvest 5K, an annual fundraiser that has benefitted the Habitat for Humanity, The Literacy Center, and Central Elementary School of Allentown
- Assist with Family Promise by staying overnight to support at-risk homeless families as they transition to sustainable housing and financial security
